## Inclement Weather Policy For Spectators

Spectators will be alerted to weather that officials for the tournament identify as potentially dangerous. Weather warnings will be broadcast on the electronic leader boards that are located throughout the golfcourse. Spectators should take appropriate precautions upon observing any weather warnings.

A prolonged blast on an air horn, repeated once will indicate that the tournament has been suspended, and all the attendees should seek safe shelter immediately. Two short blasts of an air horn, repeated once, will indicate play has resumed.
